SOVIET RUSSIA THROWS
"PEACE BOMB" AT GENEVA
ARMS MEETING — SHOULD
SCRAP ALL ARMAMENTS,
BOTH LAND AND SEA, SAYS
LITVINOFF

Geneva, Nov. 30.—Soviet Russia today threw a "peace bomb" into the opening session of the preparatory disarmament committee by formally proposing to complete abolition of all land, marine and air forces.

Admitting that the Soviet project was a radical suggestion, Maxim Litvinoff, chief of the Soviet delegation, called for the dissolution of all land, sea and air forces and the non-admittance of their existence in any concealed form whatever.

The proposal caused a profound sensation at the conference although many of the delegates were seen to smile as Litvinoff developed the sweeping Soviet project.

The Russian delegate submitted as the other cardinal points of the project that all weapons and military supplies, means for chemical warfare and all other material forms of armament be deposited in the hands of warships, military and aircraft, be scrapped and that the system of calling up citizens for military training be discontinued.

The Soviet delegation introduced a resolution calling for the immediate working out in detail of a draft convention for complete general disarmament on principles submitted by them.

Urges Conference

The resolution also provided for the calling of a disarmament conference not later than March, 1928. Scrapping of all warships and the destruction of fortresses, if accepted by the powers, would be carried out in a period of from one to four years under the Soviet scheme.

"Armed force is a weapon in the hands of the great powers and the oppression of peoples in small and colonial countries and the complete abolition of armaments is at present the only real means of guaranteeing security and affording a guarantee against the outbreak of war," was one of the striking phrases in the Soviet resolution.

Another striking phrase was that the existence of armaments and the tendency to grow "by their very nature."

UNIVERSAL OPINION

The Family Herald and Weekly Star of Montreal has, for some weeks, been publishing in each issue, letters from subscribers in all parts of the Dominion, in which the opinion is unanimous that The Family Herald is the greatest value at one dollar a year in the world today. It is safe to say no other paper in Canada could reproduce so many letters of a similar nature. Some are from readers for ten, twenty, and even forty years' duration. The Family Herald deserves its success. It has been the motto of the paper to improve and give greater value year after year. Today it is a newspaper covering all parts of the world, a family magazine that provides clean, wholesome reading for old and young, and an agricultural journal excelling anything of the kind on the Continent. All these three are in one big paper of 72 pages, and for one dollar a year. It is a credit to Canadian journalism.

OBITUARY

DEATH OF HERBERT H. YOUNG

Herbert H. Young died at Calgary General Hospital on Saturday morning, December 3rd.

Mr. Young had not been in very good health for some time, but was always able to attend to business up to less than three weeks ago, when he went to Calgary to consult the doctors, with the result that he was operated on for appendicitis just two weeks ago, and from which operation he was never able to rally, and passed away last Saturday morning at the General Hospital, Calgary, at the age of 44 years.

Mr. Young has been for many years one of the popular young business men of Macleod, taking an active part for years in various organizations for the advancement of the town, being for a number of years a member of the town council.

Mr. Young came to Macleod from Toronto as a youth with his father, the late James Young, in the year 1889, his father locating on the farm at Rathwell.

The first job that deceased held in Macleod was as assistant to the late D. J. Campbell in the postoffice, in the old Masonic building, west of the Hudson's Bay stores. Later he took up the implement business which he ran in a garage in the early days of car, and has been agent for the McLaughlin cars ever since. For many years he has been working his father's farm to which he added other lands in the Rathwell district. About 15 years ago he married Miss Bessie Fallow, a Macleod young lady, who survives him, also the two boys of the marriage, James, 11 years, and Hugh, 13 years. He is also survived by his two brothers, John and Stewart, and it was only on the fourteenth of last month that his aged mother, who lived with him for many years, was laid to rest in the family plot at the cemetery. Two of the sons, who were removed within one month to a severe blow to the loved ones left behind.

The funeral took place on Tuesday afternoon of this week from the family residence on 19th Street, Rev. W. H. Irwin conducting the service, and many mourners followed in the funeral cortege to the Union cemetery, where interment took place. Many floral tributes exemplified the high esteem in which the deceased had been held.

The pallbearers were: Mayor J. W. McDonald, K.C., D. J. Grier, Norman Grier, Ralph Lantinga, George Scougall and James Moreash.

DEATH OF MRS. C. A. GENEST

Lydia V. Genest (wife of C. A. Genest) died at Macleod General Hospital, on Saturday, December 3rd, in her 34th year.

The deceased was the daughter of Mr. and Mrs. J. B. Comeau, of St. Blaise, Quebec, and was united in marriage with C. A. Genest on February 22nd, 1918. Mr. Genest is a C. P. R. conductor, and with his family has resided at Macleod for several years. The deceased is mourned by the bereaved husband and five small children—Laurent, 9; Wilfrid, 7; Armand, 5; Omer, 4 and Denis, 2 years of age, as well as by a large circle of warm friends in Macleod and district. The funeral took place on Monday, Dec. 5th, at 10 a.m. from the Holy Cross R. C. Church, Macleod, Rev. Father Ross conducting the service, and many sorrowing relatives and friends followed in the funeral cortege to the R. C. Cemetery, where the last rites were observed and where interment took place.

Many spiritual bouquets and a great number of beautiful temporal floral tributes spoke of the high esteem in which the departed wife and mother was held in the hearts of sorrowful relatives and friends. The pallbearers were: J. Lemier, P. Neveu, T. Kennedy, T. Drinkwater, L. H. Huntley, F. Walshe.

DEATH OF MRS. J. McLENNAN

The death occurred in Macleod Wednesday morning, December 7th, of Mrs. Hannah McLennan, wife of John McLennan of Stand Off. Mrs. McLennan has been suffering for some time from cancer, and recently Mr. McLennan took her to the Mayo Brothers at Rochester for an operation, but no operation was performed, and they returned to Macleod a week ago last Saturday, since then she has been staying at the home of Mr. and Mrs. E. Greenwood, where she died Wednesday morning.

Mrs. McLennan was born in

MACLEOD MAN CHEATS DEATH
FOR THIRD TIME—R. H.
BENDER, 70 YEARS, BADLY
SHAKEN UP WHEN TRAIN
HITS SLEIGH

For the third time in his life, R. H. Bender narrowly escaped death by being hit by a train, when he was the victim of an accident at the mile and a half crossing at Macleod on the afternoon of Nov. 28. Mr. Bender is seventy years old.

Mr. Bender was driving a sleigh and as there was only a very small window in the drivers' structure, he failed to notice the approach of a train until too late. The train caught the sleigh almost full on, the team of horses breaking away just at the moment of impact.

When the train stopped, the horses were breaking speed records in a mad dash across the prairie, only debris remained of the sleigh, and Mr. Bender was rushed to the hospital, it being feared that his life was in danger.

However Mr. Bender, who is now in Galt Hospital, was reported as doing very well this morning. He was only badly shaken up, with no bones broken.

Upon two previous occasions C. P. R. officials say, Mr. Bender had been struck by a train, upon each occasion miraculously escaping with his life.

Cumberland, England, and her parents, Mr. and Mrs. John Dowson, are now resident in Yorkshire, England, where two sisters and a brother also reside. She came to Toronto from England in 1909, and in 1911 arrived in Macleod, where in 1913 she married Mr. McLennan.

There are three children left to mourn the loss of a much loved mother, Jackie, 13, Edith, 9, and Roy, 7 years of age. Much sympathy is being expressed for the bereaved husband and children.

The funeral will take place from St. Andrew's Presbyterian Church, Macleod, on Thursday afternoon at 2:30 o'clock.

OPENING GAMES MACLEOD
CURLING CLUB CONCLUDED

The opening games of the Macleod Curling Club between the President and Vice-President were concluded Friday night with a victory for the Vice-President. The scores were as follows:

President: W. A. Day 5
Alex. McLeod 11
Joe Marks 1
Judge MacDonald 7
John Baird 5

Vice-President: Dr. Kennedy 9
John Pringle 4
John Young 14
George Stewart 11
Robert Hamilton 11
H. C. Winter 10

JUBILEE CITY GIRLS CLUB MEETING

The Jubilee City Girls Club will hold their regular meeting in the Parish Hall on Saturday, December 10th, at 2:30 p.m. All members are requested to be present and bring their pencils.

STAR WEARS SMART CLOTHES
IN "FIGURES DON'T LIE"

Two active working outfits are enough for any business girl to possess and still be well dressed, declares Travis Benton, head fashion designer for the Paramount studios. "Smart simple costumes are the proper thing for the business girl," declares Benton who designed the costumes for Esther Ralston to wear in her picture "Figures Don't Lie" which reaches the Empress next Wednesday and Thursday. "All fussy things should be avoided," Benton states emphatically. "Frills are absolutely out of place in the business girl's working wardrobe."

"Two outfits may seem like a meager wardrobe," Benton says, "but when you consider how these costumes may be changed by accessories you get a different idea. For instance, with her suit, which should by all means be one of the two costumes, the girl can have different waistscoats and jumpers. Then scarfs and handkerchiefs can be used to change the other costume so that it will scarcely be recognized. To have the costumes fresh and neat looking is the big thing. Accessories that can be easily changed and that are not at all expensive will do that."

Benton has just returned to Hollywood from London and Paris where he spent some time studying prevailing fashions.

ANOTHER OF THE SERVICE
CYCLE OF BEERY-HATTON

Wallace Beery and Raymond Hatton have fought in the army, dived from the navy, dodged submarines and now they complete the service cycle by donning flyers' costume and soaring aloft in "Now We're in the Air" which will be at the Empress Monday and Tuesday. Production of this picture was virtually demanded by the public which longed to be entertained by the most popular team of comics. Ever since Beery and Hatton scored so amazingly in "Behind the Front," "We're in the Navy Now," and "Fireman, Save My Child," Paramount has received innumerable requests to the effect that the funniest service men in the movies be placed in the realm of the clouds.

With this last service picture already on the screen, folks are beginning to wonder what the next step will be. Louise Brooks who plays the part of herself and twin, Russell Simpson, Duke Martin and Emile Chautard do noble work in completing the cast for "Now We're in the Air" which was directed by Frank Strayer.

Now that the United States Supreme Court has decided that the motorist must look out for himself when crossing a railroad track, "Stop, Look, Listen" becomes more important than ever.

—S.D.

Merchants Heavily Stocked----
Dollars Have a Big Purchasing
Power in the Stores of Macleod

Stocks are Comprehensive in Every Line—Buy Your Necessities and Your Xmas Gifts in Macleod—Peruse The Times Advertisements Carefully in This and the Next Two Issues for Gift Inspirations

On account of extraordinary weather conditions in this district, the merchants of Macleod have been delayed and consequently money from agricultural purchases is not available in its usual volume in this district. Money is the keynote of purchasing power—lack of money has delayed much purchasing up to this time. Merchants have stocked heavily for fall and holiday business—the time for holiday purchasing is short—the heavily stocked merchant feels that he must get the money out of his merchandise and competition toward this end will doubtless tend toward specially attractive inducements to the purchasers to buy here—study carefully the advertisements in The Times from now till Christmas—merchandise stocks in Macleod are comprehensive—you can get whatever you desire—and at fair prices—Buy in Macleod.

THE EMPRESS THEATRE -- CURRENT ATTRACTIONS

ADOLPHE MENJOU CUTS CAPERS ON ICE IN "SERVICE FOR LADIES"—"SCREEN'S BEST DRESSED MAN" PROVES HIMSELF A FINE ATHLETE!

Adolphe Menjou has definitely established for himself a reputation as a man of the out-of-doors who can do many things besides wear evening clothes extremely well, according to the statements of members of the supporting cast who recently went on location with him at Lake Tahoe where snow scenes for his new Paramount vehicle "Service for Ladies" were made.

At Lake Tahoe, Menjou further established an enviable name for nerve and daring, performing stunts that professionals declared couldn't be done.

For the sensational toboggan scenes in this colorful story of Paris and the Swiss Alps, a duplicate of the world-famous slide at St. Moritz was constructed and made even more spectacular than the original by the addition of a sharp curve half way down.

Professionals who accompanied the troupe failed to make the turn in practice slides, but Menjou declared it could be done and proved it by doing it himself. Then, he went into the action of the scene and with his bob going at a speed of fifty miles per hour, took the spill and landed head foremost in a bank of snow three feet deep.

Despite long hours in the cold, Menjou was the "life of the party" and his voice was constantly heard uttering his clarion cry "Let's go!"

"Service for Ladies" reaching the Empress next Friday and Saturday was written especially for Menjou by Ernest Vajda. Kathryn Carver appears opposite the star. Harry D'Abbadie D'Arrast makes his debut as a full-fledged Paramount director.

BEERY USES NEW GAG FOR
EXECUTION SCENE

The use of blank walls for executions, which seems to be almost a universal precedent, is all wrong, according to Wallace Beery and Raymond Hatton.

Beery and Hatton were stood before a wall to be executed in a scene for their new Paramount comedy, "Now We're in the Air," which will be at the Empress Monday and Tuesday.

They showed how little they reverence tradition when they protested against the wall's being so blank.

"I think it ought to have a little writing on it," Beery told Director Strayer.

The property man gave Beery a piece of chalk and the bullet holes in the wall, there from previous cinematic executions, were appropriately labeled:

"Last of August," "Good shot," "X marks the spot," etc. etc.

Louise Brooks, the heroine, insisted only a male sense of humor could appreciate the Beery touch but the non-sense was incorporated in the production.

ST. ANDREW'S PRESBYTERIAN
CHURCH

Rev. A. C. Wishart, minister.
Sunday, December 11th, 1927.
The Pastor will preach at both services.

In the evening the series on the early chapters of Genesis will be continued.

Ladies Aid Monday afternoon at 3 o'clock.

Prayer meeting on Wednesday at 8 p.m.

Choir practice Friday at 7 and 8 o'clock.

YES! HE DID!

A spinster living in a London suburb was shocked at the language used by two men repairing telegraph wires close to her house.

She wrote to the company on the matter, and the foreman was asked to report.

"This he did in the following way:—'Mo and Bill Fairweather were on this job. I was up on the telegraph pole, and accidentally let the hot lead fall on Bill. It went down his neck. Then he said: 'You really must be more careful, Harry.'"

A WORRIED DARKEY

It was at a revival in a Southern Church. One obdurate soul stoutly resisted the elder's exhortations.

"Yo' see it dis way, Eldah: Ah's done got a problem. Ah don't see how Ah's gwine git mah shirt on ovah mah wings when Ah gets to Glory."

"Dat ain't yo problem," retorted the Eldah. "Yo problem is how is yo gwine get yo hat on ovah yo horns."

SHINGLE BOB

Shingle bob, shingle bob. Cut it all away! Joe's barber shop is full. It's all the rage today! Shingle bob, shingle bob. Close up the dome.

Isn't it grand, the more you cut the less you have to comb?

NEWS NOTES FROM ANNUAL
WHEAT POOL MEETING

The Alberta Wheat Pool handled close to 45,000,000 bushels of wheat, which represents 40% of the total wheat marketed in Alberta. The gross turnover was close to \$55,000,000.

The cost of operation and administration of the Pool was approximately \$202,000, or 9-20's of a cent a bushel.

During the season re-inspections and surveys were called by the Pool on 177 cars, resulting in 614 grades being raised, 8 lowered and 1155 with original grade held. The net gain to Pool shippers was \$60,535.46.

The Alberta Pool staff averaged monthly 89 over the past season. This includes the branch offices at Edmonton, Vancouver and Winnipeg.

Some idea of the amount of business transacted by the Pool can be gained from the amount of mail despatched which totalled 518,378 during the year, or an average of 1700 pieces for each working day.

The Pool directors in their annual report intimated that the policy of building terminal and local elevators would be continued. The delegates passed a resolution endorsing this policy.

The operations of the 42 Pool elevators under the management of C. M. Hall saved to Pool members the sum of \$327,005.43. This is equivalent to 4-5c a bushel on the total wheat handled. The loss on grades exceeded the gains in packed by approximately \$450,000.

A novel feature in so far as operation of line elevators in Western Canada is concerned, was the reporting of the amount of overages of the Pool elevators during the year. This amounted to about 3-5% of 1%. It can be seen that the Pool maintained a narrow margin in this respect.

The annual meeting lasted four days and all the directors were re-elected. There was a perfect attendance and two visitors from British Columbia were also present.

E. B. Ramsey of Winnipeg, Secretary and Managing Director of the Central Selling Agency was present and delivered the report of the Central Organization. This showed a sales total of 209,500,000 bushels with a turnover of \$295,750,000.

The administration and general expenses of the Central Selling Agency totalled less than 1-5 of a cent a bushel.

OLD STUFF

The teacher was showing the children pictures of registered Holsteins. When it came Albert's turn to look he remarked casually:

"Oh, I have seen those before; my grandfather uses that make."

COMING EVENTS
FORESHADOWEDLADIES HOSPITAL AID BENEFIT
FOR HOSPITAL OLD FOLKS

The Macleod Ladies Hospital Aid will, at the Town Hall on Saturday, December 17th, from 3 to 6 p.m., serve tea and receive donations from the residents of Macleod and district to make Christmas cheer for the old folks at Macleod Hospital.

The Ladies Aid is ambitious of making this the happiest Christmas on record for the old people and their's is an unselfish appeal and will doubtless receive the enthusiastic and kindly support of the public of town and district in this laudable enterprise.

MACLEOD AGRICULTURAL SOCIETY ANNUAL MEETING

The Annual meeting of the Macleod Agricultural Society will be held in the Rest Room on Saturday, Dec. 17th, at 2 p.m. It is urgently requested that all who are interested in the Society and Agriculture in the Macleod district be present at this meeting.

J. A. G. White, President.
R. J. E. Gardiner, Secretary.

93rd BATTERY BALL

93rd Battery Fifth Annual Ball, in Hudsons Bay Hall, Macleod, Monday, December 26th. Dancing at 9 o'clock. Lunch at midnight. Galety Five Orchestra. Admission \$1.00. This gives every promise of being one of the most enjoyable terpsichorean events of the season. Don't miss it.

HOCKEY GAME

Hockey game—Granum vs. Macleod, at Macleod, Thursday (tonight) Dec. 8th—Game called at 8 p.m. Also rumored that Blairmore Juniors may play Macleod here Tuesday, Dec. 13th—Watch for bills.

The members of the Elk Band intending giving a dance on the evening of Monday, December 26th, in the Elk Hall. The music will be provided by the Premier 6-piece Orchestra, all local talent. Admission Gents 50c, ladies 50c. Let's Go!

THE CATHOLIC WOMEN'S LEAGUE

will hold their Annual Bazaar including Pantry Table, Sale of Work, Fish Pond, and Prize Draw in the Town Hall on Saturday, December 10th. Tea will be served from 3 to 6 o'clock p.m.

The Catholic Women's League will hold their Annual Bazaar including Pantry Table, Sale of Work, Fish Pond, and Prize Draw in the Town Hall on Saturday, December 10th. Tea will be served from 3 to 6 o'clock p.m.

The Annual Dance of the Macleod Fire Brigade will be held in Hudsons Bay Hall on the evening of Monday, January 2nd, 1928.

FIVE PERISH IN MONDAY'S
BLIZZARD

Hope has practically been given up that little Johnny Huclak, seven-year-old Coalhurst school boy, will be found alive.

The death toll of the storm in Southern Alberta, therefore, now stands at five; three ranchers at Vulcan, Champion and Skiff, a section hand just north of Calgary, and the Coalhurst school boy.

Inspector Bavin of "D" division, A. P. L. Lebridge, reported Wednesday morning that no further reports of deaths from the blizzard had been received from outposts.

One narrow escape from the storm reported this morning was that of a Glenwood girl who wandered for eight hours before being found.

LADIES OF UNITED CHURCH
HOLD SUCCESSFUL BAZAAR

Another most successful Bazaar was held in the Town Hall Macleod Saturday afternoon, the ladies of the United Church being the purveyors on this occasion. They offered a very fine display of wares for sale, and the afternoon tea tables were not only beautifully decorated with flowers, but were laden with dainties suited to tempt the taste of the most fastidious.

The weatherman was on his best behaviour, the day being fine and mild, with the result that large crowds packed the hall all afternoon, making sales brisk at the various stalls and keeping the ladies at the tea tables busy up to the last minute.

The financial result was highly satisfactory.

Mrs. W. G. Andrews, who has been president of the Aid for many years, was greatly delighted with the result, and speaks in glowing terms of the loyal support and willing help which she received from her band of energetic members and workers.

The ladies in charge of the various departments were as follows: Fancy Work—Mrs. J. T. Doney, Mrs. F. A. Adams, Mrs. N. Scott, Mrs. J. T. Locheed, Mrs. J. F. McGregor, Mrs. R. L. Home Cook, Mrs. J. T. Marks, Mrs. A. Dixon, Mrs. J. E. Ramsbottom, Tea Tables—Mrs. R. Jackson, Mrs. C. Taylor, Mrs. J. R. Hunt, Mrs. Hynes, Mrs. C. Tweed, Mrs. Rutledge, Mrs. F. C. Wintermute, Mrs. A. F. Grady, Mrs. Wesley Shield, Mrs. Collis, Mrs. Russell, Serving the tables—Mrs. T. Goodier, Mrs. Myers, Mrs. T. Worthington, Mrs. C. Brewster, Mrs. J. McNab, Mrs. A. Young, Mrs. E. Thompson, Mrs. H. Maltby, Mrs. McRae, Miss Atkinson, Miss Griffin, Miss Scott, Mrs. Arthur Young.

Superintendent the tea tables, Mrs. Kirk and Mrs. Farnet poured tea, Mrs. Foster, Mrs. Crosson, Sr., and Mrs. McVior made the tea. Candy table—Mrs. Hout and the C.G.I.T. girls. Fish Pond—Mrs. Greenk. Treasurer—Mrs. S. Bailey.

Mr. John Edgar's five piece orchestra delighted the visitors and the ladies with a number of musical selections during the afternoon.

Salvation Army Services

DON'T BUY BLINDFOLDED

It seems strange but true, nevertheless, that so many people who exercise care and shrewdness in most of their business dealings should make the mistake in patronizing outside concerns when the very best bargains will invariably be found right at their own door. Your neighbor and fellow community builder, the local merchant, can nearly always do as well for you as the biggest advertised outside proposition and generally very much better, but for some reason 95% of the purchases made outside are done so without the home-town merchant

even being given the opportunity of submitting a price. The most remarkable thing about this is that the out-of-town buyer probably does not realize that if there were no home-town merchants and nothing in the town but a railway station, it would not be many months before farm land values would show a decided decline in value. Why? Simply because a district is judged by the size and appearance of its trading town and if merchants are few and general trading facilities lacking, it immediately indicates one of two things: either that the nature of the soil is poor, or the farmers in the district are not good farmers. Both of these reasons might be wrong, if the merchants have been driven out of business through lack of support resulting in a desolate looking town and, from an outsider's view point, a poor farming district.

Surely, people, you are intelligent enough and shrewd enough to get the point. Surely you are wise enough to know that if you are going to wreck your home town by your lack of support to your merchants, you are equally wrecking not only your own investment, but the investments of the entire district. You are making a very serious mistake when you send your money

away without first consulting and giving your home-town merchant an opportunity to quote on your requirements. Furthermore, you are not playing the game fair with him. All he asks is for a chance to quote you prices and if you drive him to the wall by your lack of loyalty in this respect, it is certainly no feather in your cap, nor is it adding anything to your investments in the district. Give him a fair chance at your business, then if he cannot make it worth your while to deal at home, the fault is his and not yours.

CORRESPONDENCE

Seemly discussion of matters of public interest is invited under the above heading. As an earnest of good faith and to insure publication, all communications to the editor must be signed by the contributor (nom de plume signature for publication if so desired). The editor of The Times is not responsible for opinions expressed or statements made under above heading; neither does he necessarily endorse or condemn such opinions or statements.

December 7th, 1927.
Macleod, Alberta.

To the Editor of the Macleod Times:

Dear Sir:

May I say just a word of explanation in connection with the funeral on Monday morning.

(1) I informed Mr. Martin after consideration late on Sunday afternoon that I could not loan my equipment and hence to him for my funeral, and not, as reported by some one around town, on the morning of the funeral.

(2) I did offer to Mr. Martin on Sunday my horse and equipment on the understanding that I would assume charge of the funeral, and in fact I loaned to Mr. Martin all the equipment he used.

I believe it only right to make this explanation.

Thanking you for your space.

Geo. McFarquhar,
Funeral Director.

MACLEOD WINS FIRST HOCKEY
GAME OF SEASON FROM
GRAMM

On Friday evening last the Macleod Hockey Team journeyed to Gramm and took the Gramm boys into camp by a score of 3-1. The game was fairly even, though Macleod had a little the best of it. The battle was fought on soft ice and in a snow storm and the local boys showed up well in the tough going, all showing a wonderful fighting spirit. Macleod has a well balanced team this year, their only weakness being that they are short of subs.

During the first period, in which each side scored a goal, it looked like Gramm's game as their forwards were attacking most of the time but were unable to get by the splendid defense of Macleod's goalie, McLean.

The next two periods were Macleod's, the boys scoring a point in each, making a total of three goals to Gramm's one.

The Macleod aggregation, who are all local boys, was going strong and with the hearty support of all local fans will make a wonderful showing this winter.

The scoring by periods was as follows: First period, Dillingham for Macleod; Ross for Gramm. Second period, Dillingham for Macleod. Third period, Townsend for Macleod.

The lineup:

Macleod— Goal —Gramm

McLean Carmichael

Defense

McDonald Ray

W. Hamilton Cote

Kirk Boyle

Moore

Forwards

Townsend Ross

B. Hamilton Fretwald

N. Dillingham Bayley

Graham Vant

CARD OF THANKS

I wish to thank the many friends who were so helpful and sympathetic on the occasion of my recent sad bereavement, and especially to express my appreciation to my conductor and trainmen comrades in this connection.

—C. A. Genest.

Buy a Useful Christmas Gift This Year!

Why not spend your money for something useful in the gift line, a useful gift is fully as expressive of the Xmas sentiment of giving on the part of the donor, and the attaining of a necessity by gift is likely to be appreciated to a greater extent by the recipient than would the attaining of a luxury.

FOR MOTHER—A new Gas Range or Heater, a new Coal or Wood Range or perhaps a Maytag Electric Washing Machine.

FOR FATHER OR SON—A Coleman Lamp or Lantern, a Shaving Outfit, or a good Pocket Knife.

FOR DAUGHTER—Stainless Steel Knives and Forks, Electric Curlers, Pen Knives, Manicure Sets.

More British Families Coming West

Word has been received from Ottawa that some 500 additional British families will come to Canada to take up farms in the west under the "Three-thousand-family scheme" next spring, announces E. M. Johnston, Superintendent of the Land Settlement Board in Edmonton. The majority of these settlers will be placed on farms selected through the agency of the Board.

Mennonites Purchase Large Farm at Toile

One of the largest farm land deals in recent years in the central part of the province is reported in the sale of the Trent Farm near Toile to a colony of Mennonites. The purchasers consist of eight families and will take over their new holdings about January 1. The land comprises some 2,641 acres and the purchase price is given as \$47 per acre, a total of over \$124,000.

Alberta Butter Wins at Toronto Royal

Exhibits of butter from Alberta creameries again showed up well in competition with entries from all parts of the Dominion at the

1927 Toronto Royal Winter Fair, the sixteen entries winning a total of four first prizes, five seconds and five thirds.

Dates Set For Calgary And Edmonton Fairs

The 1928 Exhibition and Stampede in Calgary will be held during the week of July 9 to 14 and the Edmonton Exhibition in the week of July 16 to 21. It is announced following the annual meeting of the International Association of Fairs and Exhibitions held the past week in Chicago. The meeting was presided over by E. L. Richardson of Calgary who has been president of the International Association during the past year.

UNITED CHURCH BROTHERHOOD MEETING

At the United Church Men's Brotherhood meeting on Tuesday evening, Gordon Lapp, secretary of "Boys Work for Alberta," was the speaker, when he stressed the "Unknown Quest." Today everybody is looking for something, we do not know what it is, but we are all looking, and expecting to reveal to the world some wonderful revelation. Fliers during this year have gone forth, taking their lives in their hands; many have perished; only a few have achieved success. Over the oceans, into the mountains, into mines everywhere, we hear the same. So we want to present to our boys, who are starting out in life this great "Quest," this thirst for something greater. They are looking for what life holds for them. It is for us men to help guide them along the right way, let us join hands in this great movement and help them become better men than we are.

Later in the evening Mr. Lapp held a convocation with the boys, when some 25 were present. All the rules and regulations of the order were tested out, with the songs, and games. Then a heart to heart talk with boys, and the great presentation of life as it comes to the boys

RUINS OF THE FORUM, ROME

No longer do gladiators fight in the Arena, no longer do the Senators congregate in the Forum; but Rome is still Rome — the 'Eternal City.'

THE modern Roman epicure, like his forefathers, is fond of good living, and "CANADIAN CLUB" Whisky on account of its unique flavor, its unvarying quality and smoothness, ranks first in his esteem.

today, the possibilities, privileges, and responsibilities that lie before each life, and the determination to make each a success. The election for members of the Boys' Parlia-

ment, and the session that is to meet the end of December were discussed, and a general line of information for boys with their leaders will result in bearing fruit.

Examples of fleeting things: Time, a rookie pitcher's reputation, a shine.
"She's a poor hostess. She never has any antidotes for the liquor."

CAPITAL GOSSIP AND PROVINCIAL NEWS

Alberta Oats Again Win Championship

The attention of the grain growing world has again been attracted to northern Alberta by the success achieved at the 1927 International Hay and Grain Show by Herman Trelle of Wembley in the Peace River district. Mr. Trelle who in 1926 won both wheat and oats

Now Enjoys Eating, Thanks His Wife

"For years I suffered with stomach trouble. Then, my wife got me to take Adlerika. Today I feel fine and eat what I like."—Wm. Oyp. Adlerika relieves stomach gas and sourness in TEN minutes. Acting on BOTH upper and lower bowel, it removes old waste matter you never thought was in your system. Let Adlerika give your stomach and bowels a REAL cleansing and see how much better you will feel. It will surprise you! Rexall Drug Store.

championships this year missed by only a narrow margin a repetition of his remarkable performance again winning the coveted championship in oats and reserve championship in wheat. The wheat growing crown this year was awarded to C. Edson Smith of Corvallis, Montana, who showed a fine sample of hard red winter wheat. In addition to his splendid showing in oats and wheat Mr. Trelle won first prize and reserve championship in field peas, second prize in this class going to H. G. L. Strange of Fenn, and third to Hans Mayer Vegreville.

Alberta growers this year won four out of the first sixteen prizes in hard red spring wheat, six out of the first ten prizes in alfalfa seed and four out of the first fifteen in timothy, as well as first, second and third in field peas.

International Awards for University Steers

Eight steers from the University of Alberta, fresh from their sweeping list of victories at the Toronto Royal have established an almost equally good record in the keen competition from all parts of the continent which they met at the Chicago International.

Placings by the judges at Chicago resulted in the following sixteen awards for Alberta entries:

One championship.
Three first prizes.
Two second prizes.
Three third prizes.
Three fourth prizes.
Two seventh prizes.
Champion Shorthorn steer.
First prize yearling Shorthorn steer.
First prize junior Shorthorn calf.
First prize grade steer.
Second prize group of Shorthorn steers.
Second prize yearling steer, all breeds, Clay special.
Third prize junior yearling Shorthorn steer.
Third prize junior yearling Hereford steer.
Third prize in class for get of sire.
Fourth prize Aberdeen Angus yearling steer.
Fourth prize yearling steer, all breeds, Clay special.
Fourth prize group of Hereford steers.
Fifth prize senior Hereford calf.

The NEW CAR

INTRODUCING A FINE CAR IN THE LIGHT CAR FIELD

THIS entirely new car surpasses the accepted standards of light car accomplishment; sweeps aside all boundaries of price class; establishes a new standard of acceleration, speed, power and smoothness. Heretofore the following characteristics have been combined only in expensive cars.

Speed—better than a mile a minute.

Acceleration—5 to 25 miles per hour in high gear in 8½ seconds.

Endurance—this car will travel all day at 50 miles per hour without strain on motor or chassis.

Riding comfort—flexible springs and four hydraulic shock absorbers permit comfortable travel at high speed over the roughest road.

Roadability—this car's low center of gravity holds it snugly to the road on an unbanked turn even at high speed.

Power—in deep, loose sand with the front wheels cramped and from a dead stop, the car will turn in a tight circle, forward or reverse, without effort.

Effective braking—the instant response of mechanical, four-wheel brakes with dual control ensures positive braking for any emergency.

Positive steering control—A relaxed hand on the steering wheel will hold the car steady in loose sand and over bumpy roads. Turning radius 17 ft.

Economy—30 miles per gallon of gasoline, plus the well known economics of Ford car maintenance.

Appearance—coach work of pleasing proportions, tastefully finished in an extensive range of color combinations of durable satin lacquer.

Quietness—Vibration in the engine is practically negligible. New final drive is exceptionally quiet. Double-ply anti-squeak tape, asphaltum treated fabric and hardwood blocks between body and frame minimize body noises.

Motor

Make and Model—Ford "A"
Four Cylinders—Bore 3½"; Stroke 4¾"
Unit Construction
Pump and Thermo-Syphon Cooling
Pump, Splash and Gravity Lubrication
Single Coil Distributor Ignition
Sliding Gear (3 speed) Transmission
Multiple 9 Plate Dry Disc Clutch

Roadster

Engine—At 2200 revolutions per minute the new four cylinder engine develops 40 H. P. This revolution speed is low for such power and sets an entirely new standard for light car speed and acceleration, enduring quality and operating economy.

Engine lubrication—Combination of pump, splash and gravity feed thoroughly lubricates all frictional surfaces regardless of road grades.

Cooling system—Combination water pump and Ford thermo-syphon system doubly insures ample radiation. Engine warms up quickly but will not overheat.

Electrical system—The new Ford designed distributor is placed on top of engine permitting direct connection to spark plugs by means of short bronze bands. The single coil is protected by a waterproof case. Co-incidental lock on ignition circuit is theft proof. The powerful starting motor and dependable generator are both of Ford design.

Clutch and transmission—Patterned after the famous Lincoln, these units give an operating ease never before found in moderate priced cars. The nine plate multiple dry disc clutch and the selective transmission are designed to make shifting of gears remarkably easy and simple. Getaway, unexcelled by any car made today, is just one of the many advantages. Three speeds forward and one reverse. All gears are made of heat-treated chrome alloy steel. The only light car in which transmission shafts are mounted on ball and roller bearings.

Rear Axle—The axle shaft itself carries no weight as the ¾" floating principle places the weight of the car on the axle housing. Flexible roller bearings minimize rear wheel friction. A Torque Tube drive and spiral bevel gear are additional features.

Springs—Transverse semi-elliptic design. Relieved of all driving strain, they perform the sole function of cushioning road shocks. The transverse type of spring helps to prevent a large amount of frame distortion, makes four-wheel brake operation more efficient, gives easier steering and reduces unsprung weight.

Chassis lubrication—Alumite-Zerk pressure system.

XMAS ARRIVALS

The weather is most disheartening, but Christmas is too long established an institution to be held up by the elements. Xmas is coming certainly, and we have anticipated its coming with one of the best assorted stocks we have ever had, just as if we were all threshed, or grain marketed, and our bills paid. This latter happy condition will come just as surely as Xmas is coming. It will almost certainly be later in coming than Xmas, but let us make the best of the situation and have our Xmas just as of old. It doesn't matter much to the grown ups, but Santa Claus must come to the children, as he has always come, out of the great north with his reindeer and sleighs, and surely the sleighing is good enough to dispel all doubts in the child mind as to his ability to arrive on schedule time. So let us all co-operate to make the best Xmas possible under the circumstances. Xmas baking must be done. We have all the materials of the highest quality obtainable, and at very reasonable prices. Xmas Trees must be decorated, Xmas stockings must be filled. We have candies and chocolates, and nuts, and fruits to no end, with special prices for Xmas Tree entertainments. So let us have a regular Xmas, even if the weather is all turned round.

THE WHITE HALL

LOCAL AND PERSONAL NEWS

Mrs. R. Lantinga returned home from Calgary on Saturday last.

W. Kelly of Calgary was the guest of Mr. and Mrs. F. J. Cutler this week.

Tommy Hapsburgh, of Brandon, Manitoba, was a business visitor to Macleod this week.

Mr. and Mrs. C. A. Anderson left for Lethbridge and other eastern points on Friday last.

Ralph Boyd, Elroy McLeod and Leonard LeMar were motor visitors to Macleod on Saturday last.

Owing to the storm on Monday the executive meeting of the Board of Trade was postponed until this Thursday evening at 8 o'clock. This being the last meeting before the

Annual Dinner all executive members are urged to be present.

Fred Blain of the Porcupine Hills, is spending a few days vacation in Macleod.

Dr. C. MacIntosh, of Pincher Creek, was a visitor to Macleod on Thursday last.

Joe Charlton, of the Calgary Herald, was a visitor to Macleod on Wednesday last.

"Jilly" Johnston, returned on Saturday from Vancouver and will spend a few days in Macleod visiting friends.

Mr. H. G. Reiber, B.Sc., of Alberta University, arrived in Macleod this week to take over the duties on December 1st of Principal of the High School, grades X, XI and XII.

Santa Time

The Christmas Season is again with us and we have provided very liberally for your wants. Perhaps too liberally. That remains to be seen.

We take a few items at random from our stocks which will at once suggest themselves as being suitable for different members of your family:

BRACELET WATCHES

15 jewels, adjusted to two positions, in a dainty design, either white or green case \$15.00
 A special 15-jewel movement in a white case \$10.00
 A beautiful solid gold case with a 17-jewel "Elba" guaranteed movement \$25.00

IN SILVERWARE

We can certainly please mother this year. A useful and handsome piece of silverware. We have Tea Sets and many other useful pieces of Silver.

Sandwich Plate—Guaranteed E.P.N.S. at \$7.50

Our line of jewelry is very comprehensive. We have Bracelets, Rings, Pins in great variety for the ladies, and Chains, Pins, Emblems, and Rings for the men. You must see these to appreciate them.

We give you an invitation to call in and see these goods. You will not be obligated to buy. We cheerfully show what we have.

A. YOUNG, Agt.

MACLEOD - - - ALBERTA

This advertisement is not inserted by the Alberta Liquor Control Board or by the Government of the Province of Alberta.

In place of Mr. C. A. Anderson, the latter having resigned.

Harry McKearney, of Medicine Hat, was a visitor to Macleod this week.

Neil McCaig and Harry Metge are spending a few days visiting at McCaig Ranch.

J. B. Allison of Granum was a business visitor to Macleod on Monday of this week.

C. K. Underwood was a business visitor to Blairmore, Coleman and Lethbridge last week.

Mr. W. A. Day is presiding magistrate at the Police Court these days in the absence of Magistrate Stedman who is spending a vacation in California.

Bob McLean of the Pioneer Ranch has been busy this week and last gathering his cattle from the Hills. Bob reports a very hazardous although successful trip.

At the Sittings of the Supreme Court of Alberta (trial division) held at Macleod on December 5th, Mr. Justice Ives presiding, four cases were on the docket, two of which were settled out of court, one, by agreement, put forward to next settings, and the case of Davidson vs. Davidson, in which Ann Davidson petitioned the court for a dissolution of her marriage to W. K. S. Davidson. Petition was granted with costs.

of action against defendant. Jos. Hicks, Macleod for the plaintiff, E. V. Robertson, Calgary, for the defendant.

In spite of the big storm, which is the worst seen in Macleod for many years, no losses have been reported of cattle or horses. According to Cliff Clarke the storm is very similar to one of about 20 years ago, but which lasted for three days and which proved such a big loss to all cattle owners and ranchers.

Mrs. W. G. Andrews sustained painful contusions and a severe shaking up on Saturday evening last when she missed her footing while descending the stairs from R. J. E. Gardiner's office, and fell from the turn about half way up to the foot of the steps. Fortunately no bones were broken and Mrs. Andrews is recovering nicely.

The "Hello Bills" are again entertaining the kiddies in a similar manner to last Christmas. They have engaged the Empress Theatre for Friday and Saturday afternoons, when a special Rin-Tin-Tin and comedy program will be shown, once Friday and twice on Saturday. Of course Santa will be there as usual with his bags of candies, nuts, and oranges for the kiddies. The Elks will also entertain the old folks at the Hospital this year, with a good musical program, the band, and also a nice gift for every one of them. Oh yes, we forgot to tell the kiddies, the skating rink will be open to them for the days of Friday and Saturday before Xmas. Next week read The Times' columns for full story of what the Elks will do at Christmas.

On Thursday evening, December 1st, a Men's banquet was held in St. Andrew's Presbyterian Church, which was bountifully provided for by the Ladies' Aid of the congregation. After the banquet the Rev. A. C. Wishart gave an address along the lines of "Church Efficiency and Cooperation of the Man Power of the Congregation." A number of addresses were given by the guests endorsing the minister's views and voicing a strong sentiment toward the co-operative principles enunciated being put into practical effect. The affair was highly successful, and engendered a very optimistic and hopeful spirit which promises to be fruitful towards the church's continued welfare. Mr. H. C. Winter, seconded by Mr. J. D. Matheson, moved a hearty vote of thanks to the ladies, which was responded to by Mrs. Struthers and Mrs. Swinerton in an appropriate manner. The meeting culminated with the general feeling that it should be followed by others of a like nature.

REACH & COMPANY, Ltd.

DEPARTMENTAL STORE SPECIALITIES

We must call your attention to the near approach of Xmas, and the necessary preparations of New Years gifts. Everyone expects a little remembrance, be the value however small. First on the list is—

HANDKERCHIEFS

We have the finest selection that can be bought, comprising silks, lawns, voile and Swiss embroidery work. The cambric selection is large and varied. They come in fancy cartons.

NEW FANCY TIES

Don't forget a tie for father and brother. We think that we have over stocked ourselves. It will depend upon your liberal buying whether it is so or not.

IN THE LENS OF LIFE

By Macleod's Little Foto

Santa Claus enjoys putting a portrait photograph in a stocking. He's had gift experience and knows that it makes the finest Christmas present imaginable.

The Gift of a Photograph is a Handshake From the Heart.
